

Sample Phone Witnessing:

Good morning my name is I live in the community and I want to assure you I am not selling anything or taking a survey. I am calling to invite you to a very special event (here in Mt. Vernon) that will be attended by millions of people around the world. It's the memorial of Jesus death. Do you think it's important to remember Jesus for what he did for us? (If positive response, I have an invitation I would like to send you if that would be alright. Do you receive text on this phone? This invitation has a short video that shows the wonderful future ahead that the death of Jesus makes possible. Could I call you at a later time to see how you enjoyed the video? Thank you and I hope you have a great day.
