

Good morning, my name is _____. I am calling to personally invite you and your family to a very special event that will be attended by millions of people around the world on April 15. It is the memorial of Jesus death.

Locally the event will be held out by the airport at the Kingdom Hall of Jehovah's Witnesses. It's free, no collections taken and I have an invitation that I can send via text if you're interested?

If No: I appreciate your time. You have a nice day.

If Yes: The invitation I will send has a short video that shows the beautiful future ahead that the death of Jesus makes possible. May I call you back at a later time to see how you enjoyed the video? Thank you and have a great day.
